Daniel Ricotta, MD, FHM [@DanielRicottaMD](#) 9 hours ago

Hi all! Dan Ricotta [@BIDMCHealth](#) [@bidhospitalists](#) checking in [#mededchat](#)

Gary Beck Dallaghan [@GLBDallaghan](#) 9 hours ago

[@MedEdChat](#) T1 [@unc_som](#) has a uniform approach to handling this by sending daily (or multiple times a day) email updates re [#COVID19](#) initiatives [#mededchat](#)

Peds Endo Chick [@PedsEndoChick](#) 9 hours ago

[@MedEdChat](#) Chiming in from the midwest! I'm a peds endo fellow interested in MedEd and GME. [#MedEdChat](#)

Gail Sullivan [@DrMedEd_itor](#) 9 hours ago

T1 Residents considered equal members of the health care team; except those at potential hi risk (immunosuppr, cardiopul, pregnancy), all residents expected to perform usual duties, learn to assess risk, use PPE, limit caregivers/patient etc [#mededchat](#) [#igme](#) [#meded](#)

Sherine Salib [@DrSherineSalib](#) 9 hours ago

[@MedEdChat](#) We've had great collaboration between the various teams in the medical school, hospital & clinic. While each group is sending out site-specific updates, there is an aggregated message with the highlights that's sent out daily to all learners across all specialties [#MedEdChat](#)

MedEd Chat [@MedEdChat](#) 9 hours ago

RT [@DrSherineSalib](#): [@MedEdChat](#) We've had great collaboration between the various teams in the medical school, hospital & clinic. While eac...

Julia Close, MD [@JuliaLClose](#) 9 hours ago

[@MedEdChat](#) All programs have cancelled face to face conferences, most have replaced with zoom meetings. [#MedEdchat](#)

felixankel [@felixankel](#) 8 hours ago

T1 [#mededchat](#). Conferences now virtual. Work on virtualnational specialty specific resident conference <https://t.co/O4Y5ujuLhW>

Julia Close, MD [@JuliaLClose](#) 8 hours ago

[@MedEdChat](#) Many residents pulled back from elective rotations where they are nonessential to preserve the health of the workforce. [#MedEdChat](#)

Gail Sullivan [@DrMedEd_itor](#) 8 hours ago

T1 Also fortunately seen as opportunity for residents to learn & opportunity to enhance professionalism, communication - but email overload is daunting! #mededchat #jgme #meded

Gail Sullivan [@DrMedEd_itor](#) 8 hours ago

T1 That said, elective surg cancelled, routine visits cancelled = different clinical experiences or markedly reduced clinical experiences! #mededchat #jgme #mede

felixankel [@felixankel](#) 8 hours ago

T1 #mededchat #meded communication from unilateral to multilateral communication platforms

Gary Beck Dallaghan [@GLBDallaghan](#) 8 hours ago

T1 Texting former student now an ER resident in NYC yesterday. Made me wonder if part of the plan with #COVID19 is to have counseling onsite to help residents process this. What are your institutions doing? #mededchat

Ian Fields MD [@eeyanmiller](#) 8 hours ago

@MedEdChat T1 Our OBGYN resident cohort has been split into two teams - half on service and half at home. We have pared down our teams to only essential service coverage. Plan to switch weekly. Coverage emails sent nightly. #mededchat #meded

Gail Sullivan [@DrMedEd_itor](#) 8 hours ago

T1 multilevel trainee conferences being moved online, rather than in person, so group gathering are very small no. Residents spending more time w/attendings, nurses, resp therapists & NO time with students – more intense in some ways #mededchat #jgme #meded

Julia Close, MD [@JuliaLClose](#) 8 hours ago

T1 frankly im @surprised how well zoom is managing the traffic. My kids are using it for school also and I'm in zoom meetings much of the day! #MedEdchat

Gail Sullivan [@DrMedEd_itor](#) 8 hours ago

T1 residents & attendings spending more time on telemedicine, making diagnoses (some correct, some incorrect) over the phone. Telemedicine up & running; video-medicine not yet #mededchat #jgme #meded

[@DrMedEd_itor](#) [@debsimpson3](#) [@GLBDallaghan](#) [#MedEdchat](#) can be great opportunity for residents to co-create curriculum in virtual visits

felixankel [@felixankel](#) 8 hours ago

RT [@debsimpson3](#): T2 [@ALiEMteam](#) has series of resources for [#GME](#)-ducators "Teaching in Age of [#COVID](#)-19" (7 since 3.17)! From how to's on d...

Lorri Zipperer [@lzipperer](#) 8 hours ago

[@DrSherineSalib](#) [@MedEdChat](#) Teamwork and good communication concepts play into this too -- drawn from [#ptsafety](#) and its focus on [#highreliability](#) during a crisis. [#mededchat](#)

MedEd Chat [@MedEdChat](#) 8 hours ago

[#MedEdChat](#)

Gail Sullivan [@DrMedEd_itor](#) 8 hours ago

T2 and professionalism: the resident who sees no patients on his schedule so stays home vs the resident that checks with attg & comes in to (socially distanced) office to call every patient cancelled, w/the attending [#mededchat](#) [#jgme](#) [#meded](#)

Abhay Dandekar [@abhaydandekar](#) 8 hours ago

T2 - Because teaching and learning in the virtual environment lacks the context of body language/tone ; need to set appropriate expectations, prompt LOTS of engagement, & provide rapid but useful mini-assignments with crisp goals and summaries. [#MedEd](#) [#MedEdChat](#) [@MedEdChat](#)

Stephanie Starr, MD @StephRStarr 8 hours ago

RT @debsimpson3: T1 BTW - How prophetic were Pepe @DrJuthani @rickmartinello in Dec 2019 @JournalGME re need to prep for & involvement of t...

Sherine Salib @DrSherineSalib 8 hours ago

@MedEdChat T2. I think an important component to build into our curricula at this time of uncertainty is something that helps learners regain a sense of control... This can be simple things such as leading educational discussions, etc. #MedEdChat

Deb Simpson @debsimpson3 8 hours ago

T2 The virtual learning future is now. Need tutorials about how to move your edu online in a rush? @MayoLearning <https://t.co/E4ipNKnlhG> #mayofacdev or check out from @carens8892 <https://t.co/ca75F2yxD> #MedEdChat

MedEd Chat @MedEdChat 8 hours ago

RT @debsimpson3: T2 The virtual learning future is now. Need tutorials about how to move your edu online in a rush? @MayoLearning <https://...>

Gail Sullivan @DrMedEd_itor 8 hours ago

T2 the faculty member who jumps in to find virtual cases & set up virtual presentations for fellows, vs. faculty person who decides take vacation - real opportunity to role model professionalism #mededchat #jgme #meded

Kathryn Andolsek @GME_MD 8 hours ago

@PedsEndoChick really needed in GME as we think #interprofessionalCare to care for our other patients so they can get care for their diabetes thyroid adrenal other endocrine care -can help us with augmented consultation virtually

C Stalburg @carens8892 8 hours ago

RT @debsimpson3: T2 The virtual learning future is now. Need tutorials about how to move your edu online in a rush? @MayoLearning <https://...>

Deb Simpson @debsimpson3 8 hours ago

@MedEdChat Amazing work @ALiEMteam! Much appreciated! #MedEdChat

Abhay Dandekar @abhaydandekar 8 hours ago

@DrMedEd_itor T2 - and the faculty member who recognizes learner limits and anxiety ; having a pulse of the clinical learning environment and how to leverage this is critical #MedEd #MedEdChat

Gary Beck Dallaghan [@GLBDallaghan](#) 8 hours ago

T2 Having taught online for a few years I can say it is a time consuming, but rewarding experience if done well. Would be a great opportunity to have residents lead discussions to give more opportunities to teach [#mededchat](#)

Sanjay A. Patel, MD FACP FHM [@buckeye_sanjay](#) 8 hours ago

[@MedEdChat](#) Moving to remote/distance learning (recorded didactics, video board review, etc). Encouraging great supplementary material like [@hdx](#) [@CPSolvers](#) [#FOAMed](#) [#MedTwitter](#), etc. [#MedEdChat](#)

Gail Sullivan [@DrMedEd_itor](#) 8 hours ago

Impressive work!

Kathryn Andolsek [@GME_MD](#) 8 hours ago

[@MedEdChat](#) will be helpful to perhaps engage library colleagues to send those updates in a way we subset updated ones-I sorry I miss key info or can find what's most current [@GLBDallaghan](#) [@JournalofGME](#) [#patientsafety](#) [#coronavirus](#) [#SARSCoV2](#)

Lorri Zipperer [@lzipperer](#) 8 hours ago

[@abhaydandekar](#) [@DrMedEd_itor](#) Definitely! Situational awareness plays into it .. each person has their own level of anxiety and stressors to manage during crisis. Frontline leadership is crucial. [#mededchat](#)

Julia Close, MD [@JuliaLClose](#) 8 hours ago

T2 I've asked PDs to schedule a zoom check in with residents. I'm worried about social isolation without confronted. Incorporate gratitude into these sessions to offer some reminder of the positive

Sherine Salib [@DrSherineSalib](#) 8 hours ago

[@MedEdChat](#) T2. It will be interesting to see how we all adjust our teaching styles & approaches in medical education post-COVID19. Surely there's something that we can take away from all these drastic changes... [#MedEdChat](#)

felixankel [@felixankel](#) 8 hours ago

[#mededchat](#) T2 key in my mind to successfull virtual conferences is backchannel (slack, webex or zoom..) worked great with [@regionsem](#) with great leadership from [@mikepaddock](#) and [@BradleyGordonMD](#)

MedEd Chat @MedEdChat 8 hours ago
