TOPIC 1: How would you describe social determinants of health ([#SDOH](#))? [#mededchat](#) [#meded](#)

**Paneez Khoury, MD @KhouryMD** 8 hours ago  
[@MedEdChat](#) A1: all the things that indirectly (or directly) influence health, can be structural/societal, policy related and more... [#mededchat](#)

**Laura Bookman @DaktaLaura** 8 hours ago  
[@MedEdChat](#) [#MedEdChat](#) T1 those things such as access to housing food education and healthcare which affect health

**Stephanie Starr, MD @StephRStarr** 8 hours ago  
T1: I like the Healthy People 2030 definition - paraphrased here as 'the conditions in which people live their lives that affect health. [#mededchat](#) <https://t.co/JOQYVe3VdQ>

**Alliance4ClinEd @Alliance4ClinEd** 8 hours ago  
T1 WHO has a nice succinct definition on their site at <https://t.co/jA0avXy6HN> [#mededchat](#)

**Lauren Mazzurco @LaurenMazzurco** 8 hours ago  
Hello! Lauren from eastern Virginia! [#mededchat](#)

**MedEd Chat (hosted by ACE) @MedEdChat** 8 hours ago  
RT [@StephRStarr](#): T1: I like the Healthy People 2030 definition - paraphrased here as 'the conditions in which people live their lives that...

**MedEd Chat (hosted by ACE)** @MedEdChat8 hours ago  
RT @Alliance4ClinEd: T1 WHO has a nice succinct definition on their site at <https://t.co/jA0avXy6HN> #mededchat

**Gary Beck Dallaghan** @GLBDallaghan8 hours ago  
T1 For you MDs I'm curious if you've noticed any unique #SDOH that resulted from the pandemic? Are there structural issues that have been exacerbated by that? #MedEdChat

**Stephanie Starr, MD** @StephRStarr8 hours ago  
T1: CDC describes #SDOH here <https://t.co/NbCUvS5Nzs> #mededchat

**MedEd Chat (hosted by ACE)** @MedEdChat8 hours ago  
RT @StephRStarr: T1: CDC describes #SDOH here <https://t.co/NbCUvS5Nzs> #mededchat

**Lonika #wearyourmask Sood** @sood\_lonika8 hours ago  
@MedEdChat A1: fantastic definitions here... those aspects of a persons life that affect their health... #mededchat

**MedEdBot** @MedEdBot8 hours ago  
RT @MedEdChat: T1 about to come up in a few moments #meded #mededchat

**MedEdBot** @MedEdBot8 hours ago  
RT @MedEdChat: TOPIC 1: How would you describe social determinants of health (#SDOH)? #mededchat #meded

**MedEd Chat (hosted by ACE)** @MedEdChat8 hours ago  
TOPIC 2: Which disciplines do a great job in engaging students to learn about #SDOH? Why? #MedEdChat #meded

**MedEd Chat (hosted by ACE)** @MedEdChat8 hours ago  
RT Laura Bookman @DaktaLaura Replying to @GLBDallaghan yes access to the vaccine in Boston where you live determined your risk of infection and access to the vaccine #mededchat

**Stephanie Starr, MD** @StephRStarr8 hours ago  
Not an expert by a long stretch. My sense: some existing structural & social determinants have been exacerbated more than others (job loss, more housing insecurity, isolation, lack of access to rich learning environments for kids . . .) #mededchat

**Lonika #wearyourmask Sood** @sood\_lonika8 hours ago  
@MedEdChat T2: I feel our FM colleagues do a pretty fantastic job.. ideas why @STFM\_FM #mededchat

**Jen Readlynn, MD, FHM (she/her)** @jenreadlynn8 hours ago  
@GLBDallaghan #MedEdChat - access to care through insurance (job loss or underemployment resulting in loss of benedots), child care

**Michelle Knoll, MD** @PedsEndoChick8 hours ago  
@GLBDallaghan Access to Telemedicine. We implemented TH home via things like Teams meetings. It has been great for some of our medically complex kids as they don't need to physically come to clinic, but it hasn't impacted the access to care for our rural patients well. #MedEdChat

**Stephanie Starr, MD** @StephRStarr8 hours ago  
T2: Hate to generalize based on specialty - I think it depends on clinician, holistic view of entire pt/family, and understanding re upstream causes impacting health #mededchat Humanistic perspective likely helps

**Alliance4ClinEd** @Alliance4ClinEd8 hours ago  
T1 There are some examples of how to teach from pediatrics & emergency medicine in @mededportal <https://t.co/RYG3u7Adte> & <https://t.co/DB5jc90tDP> #MedEdChat @SAEMonline @COMSEPediatrics

**MedEd Chat (hosted by ACE)** @MedEdChat8 hours ago  
RT @Alliance4ClinEd: T1 There are some examples of how to teach from pediatrics & emergency medicine in @mededportal <https://t.co/RYG3u7Adt...>

**Lauren Mazzurco** @LaurenMazzurco8 hours ago  
T2: a bit biased but #geriatricians and #palliativecare spend a great deal of time teaching about, exploring and discussing this w/our pts, families and colleagues #MedEdChat

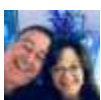

**Stephanie Starr, MD** @StephRStarr8 hours ago  
@Alliance4ClinEd @MedEdPORTAL @SAEMonline @COMSEPediatrics T2: Thanks for sharing the resource! Here's an example from GME #mededchat <https://t.co/uuw2isv0nn> <https://t.co/8AeopTmJwq>

**Gary Beck Dallaghan** @GLBDallaghan8 hours ago  
@StephRStarr T2 I would agree. But do you think there are some specialties where addressing this issue seems to naturally fit? I could see rural primary care docs doing exceptional work in this area. #mededchat

**MedEd Chat (hosted by ACE)** @MedEdChat8 hours ago  
RT @StephRStarr: @Alliance4ClinEd @MedEdPORTAL @SAEMonline @COMSEPediatrics T2: Thanks for sharing the resource! Here's an example from GME...

**Stephanie Starr, MD** @StephRStarr8 hours ago  
@LaurenMazzurco We in primary care/community pediatrics have a lot in common with you! T2 #mededchat

**Jen Readlynn, MD, FHM (she/her)** [@jenreadlynn8 hours ago](#)

[@sood\\_lonika](#) [@MedEdChat](#) [@STFM\\_FM](#) I also think psychiatry does a great job. Had a great talk today on trauma-informed care and that helped me clarify and understand patient experiences even more. [#MedEdChat](#)

**Stephanie Starr, MD** [@StephRStarr8 hours ago](#)

[@GLBDallaghan](#) T2: Agree with you. Having a frequent, longitudinal relationship with patients I. The same community context must make an enormous difference. [#mededchat](#)

**Sateesh Arja, M.B.B.S., MHPE, MSPH** [@ArjaSateesh8 hours ago](#)

[@MedEdChat](#) [#mededchat](#) T1 we incorporated this in Epidemiology. And also clinical skills modules through community-based education. This should be part of all clerkships as part of the curriculum community clinics and community outreach programs. And also behavioral science course [#meded](#)

**Stephanie Starr, MD** [@StephRStarr8 hours ago](#)

[#mededchat](#)

**MedEd Chat (hosted by ACE)** [@MedEdChat8 hours ago](#)

TOPIC 3: What advice do you have for disciplines that struggle with teaching [#SDOH?](#) [#MedEdChat](#) [#meded](#)

**Lauren Mazzurco** [@LaurenMazzurco8 hours ago](#)

T2: it's seems that teams really bring to light [#sdoh](#) that allows us to think more deeply and thoughtfully about our patients [#MedEdChat](#)

**Laura Bookman** [@DaktaLaura8 hours ago](#)

[#MedEdChat](#) T3 the references listed in this chat would be a good start I think

**Jasminka Criley MD, FACP, FHM** [@criley\\_md8 hours ago](#)

[@sood\\_lonika](#) [@jenreadlynn](#) [@MedEdChat](#) [@STFM\\_FM](#) agree [#mededchat](#)

**Lauren Mazzurco** [@LaurenMazzurco8 hours ago](#)

T3: love using the "why's" to explore more deeply rather than accepting what is at the surface/said [#MedEdChat](#)

**Stephanie Starr, MD** [@StephRStarr8 hours ago](#)

T3: Humanize patients by really working to hear their story. Reflect on structural, social determinants in their stories. Think about ways we as citizens & clinicians can mitigate and ameliorate structural determinants. [#mededchat](#)

**Lauren Mazzurco** @LaurenMazzurco8 hours ago  
[@StephRStarr](#) Yes- love the [#peds](#) family centered rounds for this reason! [#MedEdChat](#)

**MedEd Chat (hosted by ACE)** @MedEdChat8 hours ago  
RT Sateesh Arja, M.B.B.S., MHPE, MSPH @ArjaSateesh Replying to @MedEdChat [#mededchat](#) T1 any social factor impacting health and illness. But I look at other way around too. Even sickness and health can impact our social, economic and family life [#meded](#)

**Stephanie Starr, MD** @StephRStarr8 hours ago  
Yes! @imanfhassan uses a fishbone diagram to help surface structural determinants from patient histories. [#mededchat](#) T3

**Gary Beck Dallaghan** @GLBDallaghan8 hours ago  
[@StephRStarr](#) T3 Like this sentiment a lot. It reminds me of the importance of really taking a good history lest something really important is missed [#MedEdChat](#)

**MedEd Chat (hosted by ACE)** @MedEdChat8 hours ago  
RT @StephRStarr: Yes! @imanfhassan uses a fishbone diagram to help surface structural determinants from patient histories. [#mededchat](#) T3 ht...

**Ian Pereira** @IanJPereira8 hours ago  
RT @MedEdChat: Join [#MedEdChat](#) tonight to discuss teaching [#SDOH](#) on clinical rotations. 9 PM NYC/Eastern [#meded](#) <https://t.co/gDL9N5leq4>

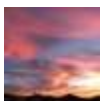

**Jasminka Criley MD, FACP, FHM** @criley\_md8 hours ago  
[@LaurenMazzurco](#) Not biased at all. [#mededchat](#)

**Lonika #wearyourmask Sood** @sood\_lonika8 hours ago  
[@MedEdChat](#) T3: keep asking [#interprofessional](#) colleagues how they further your patient's care- spend time with SW/Nurses/pharmacists and so many others [#mededchat](#)

**Lauren Mazzurco** @LaurenMazzurco8 hours ago  
[@StephRStarr](#) @imanfhassan Yes love using those tools to surface! And for some is a way to connect with [#sdoh](#) if he/she/they seem resistant! [#MedEdChat](#)

**Paul Haidet** @myheroistrane8 hours ago  
I once had a resident precept with me: "This woman is non-compliant with her diet. She just doesn't care" I replied: "How do you know she doesn't care?" "Because she just eats at Hardee's all the time" "Where does she live?" I replied "I don't know" Continued.... [#mededchat](#)

**Stephanie Starr, MD** [@StephRStarr8 hours ago](#)

T3: Looks like some great curricular ideas have been published on [#MedEd Portal](#) [@AAMCtoday](#) [#mededchat](#) <https://t.co/s65zQSzLdL+>

**Lauren Mazzurco** [@LaurenMazzurco8 hours ago](#)

yep- this!!

**Sateesh Arja, M.B.B.S., MHPE, MSPH** [@ArjaSateesh8 hours ago](#)

[@MedEdChat](#) [#mededchat](#) T3 the best way is if we can make learners understand socio-cultural learning theory. I also employ critical learning and humanism in teaching SDOH [#meded](#)

**MedEd Chat (hosted by ACE)** [@MedEdChat8 hours ago](#)
