TOPIC 1: Does your school offer a Transitions to Residency (TTR) course? Is it required or optional? #MedEdChat #meded

Sateesh Arja, M.B.B.S., MHPE, MSPH @ArjaSateesh8 hours ago

#mededchat Sateesh Arja from Avalon University School of Medicine, Curacao #meded

Gary Beck Dallaghan @GLBDallaghan8 hours ago

T1 @unc_som we have a TTR course. It's required and offered in the spring just before graduation #MedEdChat

Sateesh Arja, M.B.B.S., MHPE, MSPH @ArjaSateesh8 hours ago

@MedEdChat #mededchat T1 we don't have transition to residency courses or boot camps. It is good to have them #meded

Gary Beck Dallaghan @GLBDallaghan8 hours ago

@ArjaSateesh @MedEdChat T1 I agree they are good to have. I think it would be nice to see disciplines develop stronger curricula for them....much like @COMSEPediatrics did with their acting internship #mededchat

Alliance4ClinEd @Alliance4ClinEd8 hours ago

T1 We published an article recommending capstone/bootcamp type courses for all disciplines... <https://t.co/eQqHKJv4HE> #MedEdChat

Gary Beck Dallaghan [@GLBDallaghan7 hours ago](#)

T2 TTR courses should focus on helping [#medstudents](#) be intern-ready. The course can't cover everything, but essentials for whatever field students are going into [#MedEdChat](#)

Lonika Sood, MBBS MHPE [@sood_lonika7 hours ago](#)

Can't attend it lurking for collective wisdom [#MedEdChat](#)

TOPIC 3: How has the pandemic impacted your TTR courses? [#MedEdChat](#) [#meded](#)

Michael A. Gisondi, MD [@MikeGisondi7 hours ago](#)

T1, [#MedEdChat](#) I don't know! I should...

Michael A. Gisondi, MD [@MikeGisondi7 hours ago](#)

T2, [#MedEdChat](#) - basic approach to life threatening complaints one might encounter on cross cover (confirm EPA 10)

Michael A. Gisondi, MD [@MikeGisondi7 hours ago](#)

T3, [#MedEdChat](#) - we are back to in-person classes... for now...

Gary Beck Dallaghan [@GLBDallaghan7 hours ago](#)

T3 I know ours went entirely virtual during the height of the pandemic. Last spring it was done in a hybrid fasion to have hands-on experiences in person [#MedEdChat](#)

RT [@MedEdChat](#): TOPIC 3: How has the pandemic impacted your TTR courses? [#MedEdChat](#) [#meded](#)

Sateesh Arja, M.B.B.S., MHPE, MSPH [@ArjaSateesh7 hours ago](#)

[@MedEdChat](#) [#mededchat](#) T3 as pandemic impacted the rotations and elective experiences, these Transition To Residency courses should focus on students acquiring necessary skills and competencies before entering residency [#meded](#)

MedEd Chat (hosted by ACE) [@MedEdChat7 hours ago](#)

TOPIC 4: If you had infinite resources, what would you like to include in your TTR course? [#MedEdChat](#) [#meded](#)

Gary Beck Dallaghan [@GLBDallaghan7 hours ago](#)

T4 Interesting question. I think it would be great to set up specialty bootcamps akin to what Neurosurgery has done. Perhaps it could be set up in a way to have other med schools in the region participate [#MedEdChat](#)

Alliance4ClinEd [@Alliance4ClinEd7 hours ago](#)

[@GLBDallaghan](#) T4 ACE sponsored a panel for them to describe their bootcamp at the AAMC meeting several years ago. Truly amazing initiative [#MedEdChat](#)
