TOPIC 1: What should the role of a clerkship coordinate look like? What tasks should be delegated to the Clerkship Coordinator vs managed by Clerkship Director? [#MedEdChat](#) [#meded](#)

**Alliance4ClinEd** [@Alliance4ClinEd](#) 8 hours ago

T1 The Guidebook for Clerkship Directors 5th ed has a chapter devoted to this topic written by clerkship coordinators <https://t.co/OhUhdXFjRp> [#MedEdChat](#)

T1 Having been a clerkship coordinator 15 yrs, I undertook all of the admin work & research while the director handled content & student issues [#MedEdChat](#)

TOPIC 2: How much FTE should be given to the Clerkship Coordinator role? Does this change based on the number of students or the length of the clerkship? [#MedEdChat](#) [#meded](#)

**Gary Beck Dallaghan** [@GLBDallaghan8 hours ago](#)

T2 No matter what it needs to be a full-time position. If block clerkships turn over in a few weeks that is an inordinate amount of work [#MedEdChat](#)

[#mededchat](#) Sateesh Arja from AUSOM, Curacao the beautiful island of the Caribbean [#meded](#)

**Alliance4ClinEd** [@Alliance4ClinEd8 hours ago](#)

T2 For longitudinal integrated clerkships, it is still work that would merit a full-time person (perhaps more depending on the number of sites and students) [#MedEdChat](#)

**Michelle Madeen** [@MadeenMichelle8 hours ago](#)

[@GLBDallaghan](#) Especially if your clerkship coordinator is recruiting preceptors, creating the students' entire year schedule, scheduling every rotation, managing the onboarding, etc. # of students definitely matters. [#MedEdChat](#)

[@MedEdChat](#) T2: likely dependent on the complexity of scheduling. [@WSUMedicine](#) our M3/M4 coordinators do a tremendous job w/ placing students with community placements [#respect](#) [#mededchat](#)

**Lonika Sood, MBBS MHPE** [@sood\\_lonika8](#) 8 hours ago

[@Alliance4ClinEd](#) Yup [#mededchat](#)

**Amy Murphy** [@AmyMurp190250678](#) 8 hours ago

**Sateesh Arja, M.B.B.S., MHPE, MSPH** [@ArjaSateesh8](#) 8 hours ago

[@MedEdChat](#) [#mededchat](#) T1 coordinator can manage rotation schedules, preparing schedules of daily agenda for the teaching and training activities of the rotation, securing physical facilities like teaching space or conference rooms, and with students' evaluations like administrative help

TOPIC 3: How can a strong or weak Clerkship Coordinator impact the quality of the student's rotation? [#MedEdChat](#) [#meded](#)

**Sateesh Arja, M.B.B.S., MHPE, MSPH** [@ArjaSateesh8](#) 8 hours ago

[@MedEdChat](#) [#mededchat](#) it could be up to 30-40% time of FTE. It depends on both but mainly the number of students [#meded](#)

**Teresa Hartman** [@thartman2u](#) 8 hours ago

RT [@MedEdChat](#): TOPIC 3: How can a strong or weak Clerkship Coordinator impact the quality of the student's rotation? [#MedEdChat](#) [#meded](#)

**Gary Beck Dallaghan** [@GLBDallaghan](#) 8 hours ago

[@ArjaSateesh](#) [@MedEdChat](#) T1 Some coordinators I know are coming to the job with instructional design or education backgrounds. Could probably do a lot more than some of these admin tasks [#MedEdChat](#)

**Amy Murphy** [@AmyMurp190250677](#) hours ago

T3. Quality of coordinator largely impacts students in many ways - assignments completed on time, required activities (location/date accuracy) can impact performance ratings. [#MedEdChat](#)

**Gary Beck Dallaghan** [@GLBDallaghan](#) 7 hours ago

T3 I think coordinators can really help alleviate a lot of stress for students if they have organized schedules and are a resource for students. [#MedEdChat](#)

RT [@MedEdChat](#): TOPIC 3: How can a strong or weak Clerkship Coordinator impact the quality of the student's rotation? [#MedEdChat](#) [#meded](#)

**Gary Beck Dallaghan** [@GLBDallaghan](#) 7 hours ago

[@AmyMurp190250677](#) T3 I think communicating to the students is key with these tasks. Helpful reminders are appreciated by the [#medstudents](#) since they are working so hard to learn clinical medicine [#MedEdChat](#)

TOPIC 4: What additional things can a great Clerkship Coordinator do to distinguish the Clerkship? [#MedEdChat](#) [#meded](#)

RT [@MedEdChat](#): TOPIC 4: What additional things can a great Clerkship Coordinator do to distinguish the Clerkship? [#MedEdChat](#) [#meded](#)

**Gary Beck Dallaghan** [@GLBDallaghan7 hours ago](#)

T4 Get recognized from conducting and publishing research...just as I did with [@GandDPelser](#) and friends <https://t.co/qJcvubIBtI> [#MedEdChat](#)

**Amy Murphy** [@AmyMurp190250677 hours ago](#)

T4. Provide additional resources to help students succeed in that clerkship discipline, advocate for students (to a degree). [#MedEdChat](#)

**Alliance4ClinEd** [@Alliance4ClinEd7 hours ago](#)

T4 Clerkship coordinators can take on national roles in their respective clerkship organization. That national reputation brings attention to local programs willing to invest in their coordinators [#MedEdChat](#)

[@MedEdChat](#) [#mededchat](#) T3 everyone involved in the rotation can impact the quality of student's rotation. Clinical coordinator is no exception. They can guide and be the mentor for students with good study habits, finding resources for them, and even can provide the career counseling [#meded](#)

**@DSchatteMD** [@dschattemd7 hours ago](#)

[@MedEdChat](#) T4 - listening. I've worked with a coordinator who was able to notice a struggling student and help access care for suicidal ideation [#MedEdChat](#)

@dschattemd @MedEdChat T4 When I was in that role I had to do that a couple of times. Honestly....I was an emotional wreck after both instances....but glad I helped get the students help #MedEdChat
